

## **Derby Day Article**

Lawson Brown High School was recently invited to participate in a Derby day against Linkside Highschool.

### **Boys U16 Soccer**

LBHS(3) vs Willow Academy(0)

The boys played very well. They showed great soccer skills and control the ball excellently. Athenkosi Honi scored 2 goals while Sergio Human scored a third goal. Azenathi Mavikela and Mzingaye Poro made a huge impact and controlled the midfield very well.

Mr Kati

### **Rugby**

LBHS(0) vs Linkside(20)

The boys showed great courage and determination on the field of play. They put up a great fight given the fact that we are at the development phase of our rugby. Fifi Makwela and Lumko Nightingale played very well. Hoping for a win in the future.

Mr Kati

### **Girls U14 Hockey**

LBHS(0) vs Linkside(1)

Our girls showed a lot of spirit, never gave up and played with tons of heart. Unfortunately the result does not reflect their determination on the field.

Mr Smith

### **Netball 1st Team**

LBHS(12) vs Linkside(18)

It was a good match-up. Lawson girls were initially nervous but after the 1<sup>st</sup> quarter they knew what they had to do and did well. I would like to commend the girls for the team effort and how they played whole heartedly till the final whistle. It is always a joyful experience watching them play.

Ms Mitchell

### **Netball U14 B Team**

LBHS(7) vs Linkside(10)

The U14 B Team played a good match. They were formidable opponents for Linkside. Outstanding players – Esona(Centre) and Ayabonga(Goal Attack), both showed good skills and the GA scoring most of our goals.

Mrs Cornelius

### **Netball U14 C Team**

LBHS(3) vs Linkside(7)

The C team was leading in the first half but with Linkside changing their shooters, they were able to score goals in the end.

Mrs Cornelius

### **Netball U16**

LBHS Team A1(8) vs Linkside(5)

LBHS Team A2(8) vs Linkside(1)

Good competition for our girls. All of them were neatly dressed in their match kit and were on time for their games.

We had an incident of a parent calling Mrs Ra at 17:30 to find out where her daughter was as her daughter told her she was still watching rugby. The child returned home at about 18:00 and told her mother she was at rugby and McDonalds.

An sms could be sent to parents to inform them what time the last match will take place at the next derby day. Well organised day and very good experience for the netball girls
